Tournaments: Premier teams compete in highly competitive tournaments including Force One, Supreme League, Charm City, etc. Similar to league games, the younger age groups games tend to stay within the DMV region. In older age groups, the travel games can extended farther out, depending on the team level.

Age Groups and Team Tiers

Team placements are based on age and merit.

Premier Teams are organized first by gender and birth year and then by competitive level. Throughout the year coaches track player progress, and at the end of each Spring Season, coaches recommend player placement based on performance over the season; meaning players who excel during the year will have opportunity to ‘move up’ and vice versa.

Coaching

As a coaching staff, we prepare our premier players to be able to confidently compete at the highest level.

Our premier coaches have been identified as the best in the area. They follow an advance curriculum designed by our technical staff to optimize both team and player development while instilling our PPALife cultural values. What makes a PPA Premier coach unique? Their playing experience combined with their passion for teaching the game. All of our premier coaches have played at the youth and collegiate level. Additionally, we have a handful of coaches who have played professionally. It's our mission to provide our players with the tools necessary to play at the highest level.

IDP's

Premier players are put on individualized progression plans to track their progress over multiple years.

Each player can expect to be placed on individual development plans (IDPs) with their coaches. Throughout the year Premier Coaches evaluate players and provide personalized feedback for improvement. IDP's help PPA be more player-oriented. Through our IDP program, players can expect 1 on 1 meetings with their coaches and tangible steps to reach higher levels.

Leadership Development

PPA Premier is serious about developing players as people as well as athletes.

We strongly believe that sports can be a special platform to teach important life lessons, drive strong social networks, and create lasting memories for today's youth. We design our program to facilitate this through:

- International Trips
- Special player events like Stadium Tours
- CIT Programs for senior players to help younger players
- Multi-Team practices
- "PPALife" curriculum

Gear

PPA is sponsored by Adidas and SquadLocker to provide high quality apparel that lasts.
